

# We make a strong case for student storage.

Here's how it works:

1. Call us on 0800 011 4688 and pre-book your storage case
2. We deliver a tough 180ltr storage case to your halls the week before you leave
3. You pack your stuff inside, seal with security tag provided and confirm a time slot for pickup
4. We collect and store the case at our secure storage facility over the holidays
5. You book a time slot for re-delivery to your hall on your return and a time for us to recollect the empty case
6. And the cost?

# £99

for pick up, storage & re-delivery
